Art Purchase Program

The Academy's purchase program began in 1946 to place the work of talented, living American artists in museums across the country. Since the inauguration of this program, the Academy has spent nearly \$5 million to purchase over 1200 works of art. The American Impressionist painter Childe Hassam (1859-1935) founded this program through the bequest of over 400 of his works with the stipulation that the accumulated income from their sale be used to establish a fund to purchase paintings and works on paper. Similar bequests were made by Academy members Eugene Speicher (1883-1962), Louis Betts (1873-1961), and Gardner Symons (1861-1930). All works purchased through this program are donated to American museums.

Art Purchase Program for Sculpture

From time to time, the Academy allocates funds specifically for the purchase of sculpture. This year the work of two sculptors was purchased. These works will be donated to American museums.

Works by the winners of the 2015 Art Awards and Purchases are currently on display in the *Invitational Exhibition of Visual Arts*, and will be shown in the *Exhibition of Work by Newly Elected Members and Recipients of Honors and Awards*, which follows the Ceremonial in May.
