

Elizabeth Enders

January 14 – February 18, 2017

Opening Reception: Saturday, January 14th, 4 - 7 PM

Lyrical and meditative, the work of Elizabeth Enders heightens our curiosity to learn more about the world around us, to penetrate deeper into the often-concealed magic of simple everyday experiences.

~ Charlotta Kotik, Curator

Betty Cuningham Gallery is pleased to open, in Sidecar, an exhibition of new paintings and works on paper by **Elizabeth Enders**. The artist will be present for an opening reception on Saturday, January 14th and the exhibition will remain on view through Saturday, February 18, 2017.

From her home in Nova Scotia, Enders embarks on an imaginary quest to find the Lighthouse of Alexandria, one of the Seven Wonders of the Ancient World. Enders' work in this exhibition invites viewers to experience this journey as well, by depicting not only the land and water navigated along the way, but also the destination – the long lost Lighthouse itself.
