

Elizabeth Enders

Waterlines

June 21- August 3, 2018

Opening Reception: Thursday, June 21st, 6-8 PM

Betty Cuninghams Gallery is pleased to open *Waterlines*, an exhibition of new paintings and works on paper by **Elizabeth Enders**. This will be the artist's second exhibition with the Gallery. The artist will be present for an opening reception on Thursday, June 21st from 6 – 8PM.

While the early work of Enders was primarily a personal, visual diary, the current work, featured in *Waterlines*, moves beyond into the far reaches of her imagination. Boats sail across the seas, through darkness and light, by forts and rising mounds, a journey that parallels the trip that Enders takes with the brush. The exhibition includes 10 paintings and a complement of watercolors. It will remain on view through Friday, August 3.

Freighter-Yellow Cliff, 2017, Oil on canvas, 30 x 30 in.
